

GIVE IT A SHOT!

Advocating for Immunizations

According to the Centers for Disease Control and Prevention, vaccination coverage is currently over 90%, helping reduce many infectious diseases that once killed thousands of infants and young children.

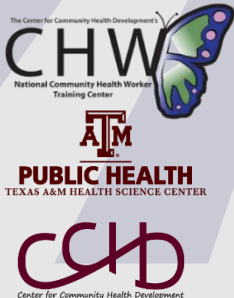

CHW Training 4 DSHS Certified CEUs

Course Objectives:

Preparing CHWs/*Promotores* to advocate for immunization

Students will learn how to:

- ✚ Describe the importance of immunizations
- ✚ Identify potential barriers to obtaining immunizations and ways to address such barriers
- ✚ Develop immunization advocacy strategies for their communities
- ✚ Demonstrate the ability to advocate for immunizations for infants, children, and teens
